

# Volunteer

with

**Kent** Fire &  
Rescue Service

Help us save lives!

By working with us as a volunteer, you'll have the chance to save people from the terrible consequences of fire, flood and road accidents.

You won't be a firefighter, but we'll train you to support our community in a range of activities including ...

- **Community work to raise awareness of the services we offer**
- **Supporting fire station open days**
- **Raising awareness of risks in your community**
- **Helping firefighters on home visits where there are language /cultural barriers or extra support is needed**
- **Providing support to residents who have had smoke alarms fitted by third party agencies**

We need all kinds of people, so if you're interested please contact us to find out more.

Call: **01795 433 174**
